Saskatchewan Branch

## CBA-SK Treasurer's Election Candidate Statement

### Angela Stolz, Partner, McDougall Gauley LLP

I was born and raised in Regina, Saskatchewan, and I am proud to call Saskatchewan home. I received my Bachelor of Arts (Honours) in Psychology from the University of Regina in 2002. I attended law school at the University of Alberta, graduating with Distinction in 2008. Following law school, I completed my articling term with a national firm in Vancouver. Despite attending law school and articling in other locations in western Canada, Saskatchewan, and more particularly, Regina, was never far from my heart. I returned home to Saskatchewan in 2010 and joined McDougall Gauley LLP. I became a Partner at the firm in 2018 and maintain a civil litigation practice, focused primarily on construction litigation and environmental law. I am actively engaged in the firm's internal committees and have served as an articling principal.

I have been involved with the Canadian Bar Association ("CBA") Saskatchewan for as long as I have been practicing law in Saskatchewan. The CBA is an important institution in which I am proud to be an active member. Since 2016, I have held the roles of Chair and Vice-Chair of the Environment and Resources Law Section. I have also held the role of Legislation and Law Reform Representative for that Section. The CBA is a vital ally and advocate for its membership, and its activities enrich the practice of law in Saskatchewan. The CBA is meaningful not only to its membership, but also to the organizations, clients, and public that are served by the CBA's membership. I am proud to put my name forward for consideration for the Saskatchewan Branch Treasurer role. If elected Treasurer, I would be honoured to play an enhanced role in maintaining the CBA's longstanding tradition of serving the legal profession.

In addition to planning activities for the Environmental and Resources Law Section of the CBA for many years, I have also presented at numerous Section lunches and participated in the planning and execution of the 2016 National Energy and Environmental Resources Law Section Annual Conference in St. John's, Newfoundland. In addition, I served as a presenter at the 2018 National Conference in Winnipeg, Manitoba, where I discussed topics relevant to Saskatchewan. I

continue to look for opportunities to organize, attend, and present at CBA events on a local, provincial, and national level.

If elected Treasurer of the CBA Saskatchewan Branch, I will bring enthusiasm, innovation, hard work, and an approachable attitude to the role. I will do my part to ensure that our CBA Saskatchewan Branch continues its important work in promoting fair justice systems, effective law reform, equality in the legal profession, and engagement with members of the legal community.

Please consider my candidacy for CBA Saskatchewan Branch Treasurer.

I would be pleased to speak to anyone that may have questions or may wish to have a conversation. You can reach me at:
