

---

This year the Administrative & Labour Law (South) section held two Zoom section meetings. Attendance was in the range approximately 25 – 40 individuals.

The section was comprised of Amy Groothuis as Chair and myself as Vice Chair until January 29, 2021. Effective January 29, 2021 I became Chair. The Administrative & Labour Law South Section Vice Chair seat is vacant and we are currently looking to fill this role.

## **2020 / 2021 Meetings**

- November 3, 2020 – Practice and Procedure in Administrative Law at Queen’s Bench South
- April 13, 2021 – OH&S Prosecutions Q&A with Buffy Rodgers and John Agioritis

On March 30, 2019, an additional joint webinar meeting was held with the Administrative & Labour Law (North) section on the topic of COVID-19 vaccinations in the workplace. The speakers for this meeting were Brent Matkowski of MLT Aikins and Greg Fingas of Gerrand Rath Johnson.

We also have an upcoming webinar meeting scheduled for June 15, 2021 on the topic of what to expect during strikes and lockouts presented by Crystal Norbeck of Gerrand Rath Johnson and Steve Seiferling of Seiferling Law.

The section members for next year will be myself as Chair. We are currently searching for a Vice Chair.

I have enjoyed the opportunity to serve as Chairperson of this section, and would like to take this opportunity to express my sincere appreciation to the speakers who have presented and who will be presenting at upcoming meetings for their time and expertise in presenting to our group. I would also like to thank our section members whose attendance and participation make the section possible.
