

## COMMENTS FROM THE CHAIR:

The Section had another successful year, despite the reduced meeting schedule due to pandemic restrictions. Mike Russell is pleased to turn over the Section Chair reins to Craig Frith of McDougall Gauley LLP, and wishes Craig success in his new role. Paul Olfert continues on as Section Vice-Chair.

The Section continues to enjoy good participation from senior members of the Saskatoon insolvency bar, as well as junior lawyers with an interest in insolvency. The membership is comprised of lawyers and bankruptcy trustees, which lends itself to lively, informed and practical discussions at luncheon meetings. Due to pandemic restrictions, the Section hosted only two virtual meetings this year, with presentations from two eminent speakers: McDougall Gauley LLP lawyer Mike Milani, Q.C., and Chair of the Court of Queen's Bench Insolvency Panel, Madam Justice A.R. Rothery. Both presentations were well-attended.
