1. Reflections and learning as General Counsel at Imperial Oil
2. How ethical ADR practices fit the unique role of Corporate Counsel
3. Value of drafting ethical and insightful Dispute Resolution clauses vs. standard clauses of the past
4. Why Corporate Counsel should see value in their organizations examining these practices or belonging to ADR Canada.

COMMENTS FROM THE CHAIR:

The section executive typically decides on topics, organizes the events, arranges speakers, etc. This year, as the Chair has stepped down, the section planning meeting as well as the inclusion of an additional executive member will be sought in June in order to work on planning sessions in a 'distance-supportive way' for CCCAS members for the 2020/2021 section year until we can again meet in person.
