Comments from the Chair

The Civil Litigation South Section hosted 2 meetings jointly with the Civil Litigation North Section. Our section meetings have been well-attended, and the attendees have been interested in the topics. In 2021, Milad Alishahi stepped down as the section chair. Jon Milani has assumed the role. Jenna Sambrook has assumed the role of vice chair. The new chair and vice chair are working to secure speakers to speak on topics of interest to the litigation bar for the upcoming section year.
