

We have two meetings taking place between January and June 2021. The first was completed on March 4, 2021 when we had Bev McDonald appear and speak to the group (virtually) about Tips from the Local Registrar's office. In light of the pandemic and the changes at the court it was timely and informative. We had some great discussion with some of the attendees and of course Bev was a terrific presenter.

We have one more meeting scheduled for May 13, 2021 where Christine Hansen-Chad will be speaking on Trial Management.
