

This 2020-2021 Section Year was full of many challenges given COVID-19. Despite these challenges, the North and South Privacy & Access Sections jointly held the following zoom presentations:

- October 5, 2020: The Long Arm of California Data Privacy: Canada and the CCPA Cross Border, presented by Cynthia Cole, Baker Botts and moderated by David Krebs, Miller Thomson LLP.
- February 1, 2021: The Dawn of Canadian Privacy Law 2.0: The Consumer Privacy Protection Act, presented by David Krebs, Miller Thomson LLP.
- April 12, 2021: Issues in Access & Privacy, presented by Ron Kruzeniski, Q.C., Saskatchewan Information and Privacy Commissioner.

On behalf of myself and Vice-Chair David Krebs, we would like to thank all of our presenters, attendees and South Chair Matthew Barnes. We welcome anyone interested in access and privacy issues to join us in the future!
