Dear Mr. Rooke,

**Re: Amended Template Receivership and C.C.A.A. Initial Orders: February 22, 2010**

---

The Bankruptcy and Insolvency Panel of the Court of Queen's Bench has endorsed the revisions proposed by your committee to both the template receivership order and C.C.A.A. initial order in response to the September, 2009 amendments to the *Bankruptcy and Insolvency Act* and the *Companies' Creditors Arrangement Act*.

These amended template orders, effective February 22, 2010, are to be posted on the C.B.A. web site for easy access to the legal profession in Saskatchewan. The original template orders and explanatory notes ought to be maintained on the web site for reference and continuity.

As with the original template orders, any additions or changes to the amended template orders ought to be brought to the presiding judge's attention by highlighting in bold letters or black-lining. While the discretion of any presiding judge is unfettered by the use of these template orders, it is expected that any draft orders presented by counsel in an application will be substantially in compliance with the template orders.

Mr. Randall Rooke, Q.C.
